

FRESHMAN CHRISTIAN SERVICE PREFERENCES

Once you have understood what is required by each event, fill out this Preference Form with FIVE DAYS WORTH of events you would like to volunteer for. Also, be sure to indicate which Option the preferred event applies to. (Option 1: one and two events listed, Option 2: service you arrange on your own, Option 3: service for agencies found on SPSV Website, Option 4: service you've already completed.) Based on your input, we will assign you to TWO DAYS of Christian Service.

In the numbered spaces below, write-in the service opportunities that you would like to apply for. Include specific dates, times, or shifts, even if you are applying for Options 2 or 3. Remember, be sure you can commit to the events you are signing up for. First turned-in, first approved. Once an event is full, we will not assign any additional students to it.
